## MANY EXHIBITS AT FIRST SHOW ON MAYNE ISLAND

MAYNE ISLAND, Aug. 27.—Mayne Island's first exhibition was a great success, there was a very good attendance and the exhibits were really most attractive. Col. C. W. Peck, V.C., M.P.P., opened the exhibition with a short speech, emphasizing the good an exhibition did to a place by encouraging competition, both in outdoor crops, needle-work and art. He said he had just been through and had been very struck by the high standard of the exhibits and that he had great pleasure in being of help and declaring the exhibition open to the public. The doors were then flung open and everyone flocked in to see the verdict of the judges. The three judges were Mr. and Mrs. Simpson, of Pender Island, and Mrs. Snyder, of Seattle. Thanks are due to Lady Constance Fawkes for starting what we now hope will be an annual affair.

The following is the list of prize-winners:—

### CHALET DANCE

DEER COVE, Aug. 27.—The usual open-air dance was held on the tennis pavilion floor of the Chalet Hotel on Saturday evening, but owing to the cold, windy night the attendance was not as large as usual. Those who attended, however, voted it an enjoyable affair.

Excellent music was supplied for the dancing, which was continued until midnight, by Miss Adeline Crossley and Mr. R. Brothour.

Dainty refreshments were served in the dining-room.

The dance that was to take place next Saturday evening has been cancelled owing to the unsettled condition of the weather.

### SIDNEY RABBITS WIN

Several prizes were carried off at the exhibition recently at the Willows by local rabbit breeders. Mr. W. P. Hurst received second prize for Chinchilla buck 9-12 months and Mr. P. Larrow the following: Chinchilla buck, 5-6 months, fifth; Chinchilla buck, 6-9 months, third; Chinchilla doe, 3-6 months, second; Chinchilla doe, senior, fourth; Chinchilla doe and litter, second.

### DEATH OF MRS. HEARD

The friends of Mrs. P. N. Tester and Mrs. F. J. Pfister, until recently residents of Sidney, will regret to hear of the sudden death of their mother, Mrs. Jas. H. Heard, who died at her residence, Barrie, Ont., on Wednesday, Aug. 5.

Mrs. Heard visited Sidney as the guest of her daughter in 1913-14, during which time she made many friends.

This is the third bereavement the family have suffered in the past three years, the father and a sister predeceasing the mother.

Mrs. Heard was in her 72nd year and was a very active member of the Methodist Church, the W.C.T.U., the Ladies' Aid and was president of the Travellers' Aid Society of Barrie, where she had lived for the past 30 years. She leaves four daughters and three sons to mourn her loss.

The funeral service was held in Barrie and later the remains were taken to the residence of Mrs. Pfister, Toronto, from where a private funeral service for the family was held. Interment took place in the family plot, Prospect Cemetery, Toronto. Many beautiful wreaths testified to the high regard in which the late Mrs. Heard was held.

### FALL FAIR IN NEW HALL

FULFORD HARBOUR, Aug. 27.—The new hall is rapidly nearing completion and will be ready for the Fall Fair, which takes place on Friday, Sept. 4. The Women's Institute have made all arrangements and hope their efforts will be rewarded by a maximum number of entries. Col. C. W. Peck, V.C., M.P.P., will declare the new "Institute Hall" open to the public and with its opening the fifth annual Fall Show at 2 p.m.

There will be afternoon tea, ice cream and sports for the children. Mr. Lasseter's launch will leave Sidney for Fulford Harbour at 9.30 a.m., returning before 5 in the afternoon.

The day's festivities will end with a dance in the evening, doors open at 8.30.

The refreshments for the afternoon and for the dance in the evening are being supplied by the Women's Institute members only.

### WHO WAS THE SHEIK?

A young lady camping at Deep Cove (we don't know why) stepped from her gondola into the deep, deep sea of mysterious waters that fondly lap the shores around the Chalet. They say she was not hypnotised, neither had she been pulling on the long, long pipe of peace that puts one away in the land of dreams and adventure—where thrills just naturally creep up on you and well nigh tickle you to death. No, no. No. Just who she was gazing upon when she took this "thrilling" step she will not tell. Perhaps it was a budding "Rudolph" that was "aimlessly" strolling along the beach? But what's the use of guessing—your ladies delight in keeping one puzzled. All she will say is "Gee! I felt angry when my chum mugged up my permanent wave by grabbing me by the hair as I was going down the third time!"

### MR. WALLIS RESCUES LAD

John Speedie, while playing on the raft at the Sidney Wharf with his clothes on slipped and fell in the water, and although he is able to swim a little he was hand-lepped on account of his boots and clothes and had a narrow escape from drowning. Fortunately, Mr. T. Wallis was on the wharf at the time and saw the lad fall in. Mr. Wallis immediately dived into the water, clothes and all and rescued John from a watery grave.

### SPENCERS NOW ON TOP

On Monday evening the Spencer line trimmed the C.P.R. baseball artists to the tune of 4-1 and went to the head of the Commercial League as a result. Spencers now lead Sidney by one game.

## WILL TAKE PART IN GALA MONDAY

## AUDREY GRIFFIN WILL JUDGE AND DEMONSTRATE

### GIRL GUIDE ASSOC. FORMED

GANGES, Aug. 27.—Last week a public meeting was called by the members of the I.O.D.E. to form a Girl Guide Association so that a company of Girl Guides can be formed at Ganges and will be called the First Salt Spring Island Company, and if a second company can be formed later at Fulford it will be called the Second Salt Spring Island Company.

Mrs. Gale, the local commissioner (of Saanich), and her daughter, Miss Gale, came up on Tuesday and addressed the meeting and told of the ideals and teachings of the Girl Guides and helped to form the association. Mrs. Gale also exhibited various badges, cards, etc., that was to be won for proficiency in different lines of work. Miss Gale told of the Girl Guides' camp at Sooke this summer—their discipline, duties and pleasures.

Miss Doris Taylor was elected to be in charge of the company to be formed.

The officers for the association were elected as follows: President, Mrs. Best; vice-president, Mrs. T. M. Jackson; secretary, Mrs. V. C. Morris; treasurer, Mrs. T. Speed.

Mrs. Gale and Miss Gale were the guests of Miss Doris Taylor while here.

### MANY AT MAYNE FAIR

GALIANO, Aug. 27.—Galiano was well represented at Mayne Island last Wednesday when Mr. Miller Higgs, Mr. New and Mr. Page all took parties over to attend their first exhibition, which was opened by Col. Peck, V.C., M.P.P. The committee are to be congratulated on the splendid show. The hall and stalls of exhibits were all shown to great advantage, the paintings done by Col. Fawkes of Mr. Henry Georgeson and Skokum Joe being greatly admired whilst the handwork and paintings of E. W. Nishino and Miss Ida New showed great talent. The hall was crowded during the afternoon and evening. Mrs. Stanley Robson demonstrated the art of spinning. The vegetables, needlework and cooking were all so good it was hard for the judges to award prizes. Galiano shared honors with Mayne and the other Islands.

### COURTS IN GREAT DEMAND

FULFORD HARBOUR, Aug. 27.—The tennis courts at "Lyonesse Camp" have been greatly in demand this season owing to their first-class condition, which is evident by the number of matches that have been played between the Island clubs and the Lyonesse Tennis Club. On each occasion the pavilion has been crowded with spectators and many delightful afternoons have been spent. Thursday last the club members played a match against those of South Pender Island, which ended in favor of Salt Spring.

Another match was played on Sunday, Aug. 23, this time between James Island and the local tennis club; the visitors winning the hon'ry share of the close and well-fought game.

### AUDITORIUM OPENS NEXT WEEK

The Auditorium Theatre opens on Sept. 4th and 5th with a large production, "The Ten Commandments." The show has been closed for the summer months and a full house should greet the management on the strength of this picture for the opening show. Wherever this play has been presented it has drawn capacity houses and there is no doubt but what the local theatre will be just as well patronized.

### SIDNEY SPENCERS SERVES

In order to determine the champion in the Commercial League in a result, Spencers now have a play-off, the winner of two games out of three to get the title. The first game will take place in Sidney next Wednesday at 6.30.

There have been many fine prizes offered for the "Water Gala" to be held at the Ferry Wharf Beach on Monday afternoon, starting at two o'clock. These prizes are now on view at the Sidney Pharmacy.

The Sidney Board of Trade, under whose auspices the gala will be staged, have things well planned out and there are 16 events on the program. Special races are arranged for the Wolf Cubs and Brownies. There will be prizes for all events, the residents of the district of North Saanich having responded liberally. It is not too late yet to make a donation if you feel so inclined. The kiddies will enjoy the fun and the many prizes will insure keen competition. The Board of Trade have certainly done their share in providing the bath-houses and conveniences at the beach and judging by the number taking advantage of the bathing facilities there will be a big time on Monday afternoon.

Miss Audrey Griffin, the famous swimmer and high diver, has consented to act as judge and to give a demonstration of swimming and diving.

Be sure and reserve Monday afternoon for the big time. Bring the children along—their will be a treat for all kiddies regardless of whether they are taking part in the events or not. It will be the time of their young lives!

Up to time of going to press the following have donated prizes:—

J. J. White, V. L. Goddard, S.S. Puget (purser and crew), Mrs. J. A. Speedie, Mrs. W. Hearn, Chong Lee Lung, Kwong Lee Yuen, F. E. W. Smith, The Local Grocer, Sidney Service Station, Miss Nancy, J. F. Simister, J. Critchley, A. W. Hollands, Sidney Bakery, Sidney Trading Co., Sidney Hotel, Miss Winnifred Fatt, Sidney Pharmacy, Mrs. Drummond Davis, W. H. Dawes, J. Gilman, R. N. MacAulay, Sidney Board of Trade, Sidney and Islands Review, Sidney Athletic Association, Sidney Social Club, North Saanich Women's Institute.

The following is the program of events:—

#### Swimming

Boys under 10 years, 10 yards.  
Girls 12 and under, 25 yards.  
Boys 12 and under, 25 yards.  
Girls 15 and under, 50 yards.  
Boys 15 and under, 50 yards.  
Girls (open), 100 yards.  
Boys (open), 100 yards.  
Wolf Cubs only, 15 yards.  
Brownies only, 10 yards.  
Married ladies, 50 yards.

#### Diving

Best diving, girls, 13 and under.  
Best diving, boys, 18 and under.  
Pancie diving, 13 and under.  
Greasy pole (open).  
Tub race (swimmers only) Make your own paddle.  
First, second and third prizes will be awarded for all events.

### ANNUAL FIELD DAY

The big annual field day at the Experimental Station will take place on Labor Day, Sept. 7. A record crowd is expected in attendance. There will be sports, lectures, demonstrations on the work of the farm and community singing. Mr. Boneh, caterer to the Chamber of Commerce, will supply meals on the grounds, or anyone so desiring can take their own.

This open day at the farm should be of great interest to the residents of Vancouver Island and to those locally who can take advantage of the outing. It should prove of material benefit.

### LIBRARY TO OPEN SEPT. 1ST.

With the approach of cool weather and longer evenings the reading public will be pleased to hear that the Sidney Library will open again on Sept. 1. Members of the library board who have been canvassing the district report good results, including several new members.

The librarian, Mrs. Heard, will be glad to receive donations of books and magazines.

# NOTES BY THE WAY

By OBSERVER

"Justice" has been represented by a female figure blindfolded. Justice in B.C. is rapidly becoming not only blindfolded, but blind. In the report of the B. C. Minimum Wage Board, just published, it is stated that in a case where a charge was laid that the proprietor of a restaurant had failed to post the board's orders, the case was dismissed, the magistrate holding that the order had been posted and subsequently been taken down, and that there was nothing in the act to stipulate that the order should be kept posted. What next?

We are pleased to see in the Daily Colonist of last week that the Sidney Roofing and Paper Co., of Sidney (?), had their annual picnic at Elk Lake.

Many of our noted poets would be hard put to know their own poetry as it is retailed to the public these days. In a Victoria daily paper there was lately published a letter which quoted a verse of Kipling's "Recessional," the first line of which was published as "Gold of our fathers known of old." Perhaps there was more truth than poetry in the misquoted line?

We have had many campaigns with the object of inducing the public to buy home products. Some have been put on by local associations, and others, with all sorts of free newspaper propaganda, have been put on by various associations of manufacturers, wholesalers, and retailers. This has been very good, and the public have responded, but all this work can be spoiled by a few who take advantage of the public's patronage. A few days ago the writer had to buy some hardware. He made his choice of an article which on the box containing it was noted as made in Canada by a prominent manufacturing house in Ontario. So far, so good. But on using the article in question a few letters were observed stamped into it, which were: "Made in U.S.A." Now what is the good of campaigns advocating the use of home-made products when the manufacturers take advantage of the public in this manner.

Next Monday afternoon we are to have a few swimming races. It is to be hoped that the public will take hold and help the promoters. The presence of the parents of the children taking part will have a good influence.

The Government, in the person of the Liquor Control Board, have at last consented to try and sell more beer. An order-in-council has been published to the effect that if 40 percent of the people of a polling

district sign a petition asking for another plebiscite on the beer question, another plebiscite will be granted. It is to be expected that the liquor interests, supported by some of our daily press, will soon see that all electors are asked to sign such a petition. The next thing will be a campaign to have wines and liquors sold by retail.

A gentleman, signing himself H. Scott Ram, of Winnipeg, has been telling us in the daily press lately that we should not accept American capital for the development of our country. He makes a special item of the lumber mill at Chemainus. Well, if our own people will loosen up some of the millions reputed to be in the savings accounts in B. C. banks, we will have no need of outside capital, but they do not seem to want to do so. Mr. Ram does not mention if he has invested some of his millions in B. C. mills to help us out. Perhaps he will replace some of the American capital in the near future.

A McGill professor, who was commissioned by the Dominion government to write the history of the Medical Services of Canada, has taken the opportunity to leave the questions of history and have a ding at several personages who he did not agree with during the war. Among them was our late minister of militia, the late Sir Sam Hughes. The sons of this officer have taken the matter up, but they need not mind, no one has taken the professor seriously. Personages of note have lately been the butt of so-called historical writers, note the so-called historical writings dealing with the late Hon. W. E. Gladstone which have been taken up by his son. It seems to be safer to wait until a man is dead than to attack him in the flesh.

## C.P.R. WIN 3-1

Last Thursday evening the local baseball team met the C.P.R. aggregation in the city at the Athletic Park and had the railroaders eating out of their hands nicely until the fifth and last inning when a home-run was poled out by one of the crew with two on and when the dust had cleared away the game was also found to be tucked away by the trainmen. It was a lucky swat at that, the ball travelling right along the first base line and the side had two down at the time.

One bad thing about an auto wreck, says Mr. St. Louis, is it gives your friends a chance to tell you about the wrecks they have been in.

One thing can be said in favor of the woman automobile driver, opines Albert Carlson, she doesn't spit tobacco juice on the occupants of the back seat.

In speaking of boon companions, says Ewart Tolton, of close associations and chums we should not forget to include chattel mortgages and Ford cars.

It used to be that it rained every time we had our shoes shined, but now it pours every time we get the car washed.

There are too many trees, poles and solid walls for the automobiles already in this country.

What we mean by sometimes economy was exemplified by the Goshen, Ind., man who slept in his automobile to save expenses and was robbed of \$12,300.

He Had Impressed Her  
The young man on the train, seeing that the handsome girl across the aisle was looking at him very intently thought he had made an impression and in a few minutes he changed his seat to the vacant one beside her.

"Haven't we met before somewhere?" he ventured to ask.

"Well, I'm not quite sure," she replied, "but I think you are the man I saw hanging around the night our automobile was stolen."

The young man vanished into the smoking car, amid the snickers of those who had overheard them.

**SALT INDUSTRY FOR SYDNEY?**  
By A LOCAL BOOSTER

Some enterprising American business men visiting Sidney were standing watching the waste lumber going to the burner at the Sidney Mills and a discussion arose as to how the waste could be made use of. One suggested making furniture or toys as a by-product, another proposed producing pulp for a paper mill for low grade paper, another suggested heavier-board, but the most feasible project was suggested by one who was apparently Scotch and wanted salt for his kate. "Why not install a salt recovery plant here in this town?" he asked. "Your salt has to come from east of the Rockies and the water of the Pacific contains as good salt and is the same density as the Atlantic Ocean. You could install salt pans and utilize the heat that is being wasted at the burner, use some of the salt water that is being pumped back into the ocean for fire protection. After evaporating the water to recover the pure salt, condense the evaporated water, which could in turn be sold to the Sidney Mills or any other factory at a manufacturing price, which in turn would induce other industries to come to Sidney. Salt could be sold cheaper here than it can be after paying freight through the mountains. Paper cartons and sacks could be manufactured right in the plant. Electricity or steam could be obtained at reasonable cost and the rest would be clear profit for the salt man."

With such a good paying proposition in operation employment would be given for quite a number of men and girls and the idea is worthy of being looked into by an organization like our Board of Trade, which would, no doubt, wish any prospective company success.

The prize optimist, says Arthur Harvey, is the pedestrian who comes down the road and notices little production is showing a heavy increase.

**ATHLETIC CLUB MEETING**

The regular monthly meeting of the Sidney Amateur Athletic Association was held in Matthews' Hall Monday night at 8.30 o'clock, a good attendance being present. It was proposed that a meeting of the president and secretary and one member of the Sidney Tennis Club, Ladies Social Club, Sidney Athletic Club and other clubs interested in the club be held at the club house, call a meeting with Mr. John Matthews to discuss the renting of his new hall for the winter season to enable the community to have a good winter's entertainment, the date of this meeting to be set when agreeable to the various organizations.

**DEEP COVE STAGE LINE CHANGES HANDS**

Messrs. Jones and North announce this week the sale of the Deep Cove Stage Service to Messrs. Stacey and Sangster. This motor service between Deep Cove and Victoria has been under the management of Messrs. Jones and North for the past five years and has rendered excellent service to the people of the Deep Cove district.

Messrs. Stacey and Sangster will operate the service under the name of Deep Cove Passenger Service and a new schedule has been drawn up and is published in this issue.

Mr. Stacey and Mr. Sangster are both well known in the district and they will no doubt receive the same support and patronage from the people of the community as did their predecessors.

Years ago to get across a stream it was necessary to wade or ford. Now we can't get across a stream with one.
